COLD DAY AT CHARLESTON

UNFAVORABLE CLIMATIC CONDITIONS KEEPS VISITORS AWAY FROM PALMETTO PARK.

Wave Follows Severe Rainstorm That Gives Mud Runners Another Chance to Win Purses. -Jockey Lilley Pilots Three Winners.

Charleston, S. C., Becember 26.—Frigid weather, which suddenly developed following a severe rainstorm last night, militated against the sport at Palmetto Park this afternoon and none but the hardened regulars were on hand. The going was bad and suited the mud runners. The handicap at five and a half furlongs, which featured the card, resulted in a big upset for the favorites. Dr. Carmen and Vales, which failed to get any part of the purse. They were supported to the exclusion of all the other starters, Dr. Carmen being especially well backed. Valas' unruly behavior at the post was responsible for his failure to get away and eliminated him as a factor at once. Dr. Carmen's backers felt more sanguine after this mishap and particularly when the Kentucky colt took the lead after shaking off Jim Savage, but during the stretch racing Dr. Carmen weakened and was passed in succession by Col. Tom Green, Carlone and Eacore, which divided the purse in the order named. Leonnine, one of the starters, broke down during the running and was palled up on the stretch turn.

Ortyx, an outsider, furnished a surprise in the opener when he just got up to beat Shadrach, the favorite, in a hard drive. Volthorpe, backed stoutly at a good price, lasted to win by a nose over El Biod in the second. Van Dusen's superior riding enabled Petelus to win by a nose in the third over Brandywine, on which Shilling had the mount.

The apprentice find of the meeting, Lilley, accounted for the next three races, with Col. Tom Green, Billie Baker and Duquesne. On Billie Baker he was lucky to score, for Mycenae was best. The diminuity Wolstenholm was unequal to giving him much assistance when the crucial test came and Billie Baker won by a head,

yesterday. Mr. Hedrick was represented in the race by Napler.
William Malker sold Duquesne to J. W. Wilson oddy. The horse ran in the name and interest or ins new owner this afternoon.

E. McBride sold Supreme to J. Arthur this afternoon. Jockey C. Turner will enter a local hospitul on Monday to receive treatment for a nervous trouble. He will then go to New Orleans.

T. J. Brown stated today that W. G. Yanke had requested second call on jockey F. Murphy's services for the New Orleans meeting. Murphy departed this afternoon for the Crescent City.

Delegations will leave tomorrow for Havana and New Orleans and the exodus for both places will continue during the remainder of the week.

MANY STABLES WILL GO TO CUBA.

Management of New Track at Havana Gives Out List of 350 Horses to Be Shipped There.

Charleston, S. C., December 25,—With Manager H. D. Brown of the Cuba-American Jockey Club on the ground here, arrangements have been completed for the departure from Palmetto Park on Saturday evening next of not less than thirty carloads of thoroughbreds for Oriental Park, Mr. Brown's latest racing enterprise in the environs of Havana. During the past fortnight, when representatives of the Cuba-American Jockey Club and its rivals have been seeking horses for their respective tracks, nothing has been given out for publication by the Havana agents, the uncertainty of the horsemen's plans militating against an accurate list of the stables destined to take part in Havana racing. This afternoon, however, Mr. Brown issued the official list of stables, with the number of horses in each, which will leave for linvana on two special trains next Saturday evening. Space has been assigned all these turfmen by Harry White and W. W. Lyles, and the last detail in connection with this big winter movement of thoroughbreds has been attended to.

"There is one detail I wish to be made plain to all the horsemen," said Manager Brown. "All purses at Oriental Park will be paid in United States gold. This is to counteract rumors to the contrary. They emanated from Ill-informed persons, as all purses won by the horses at Oriental Park will be fullical States exchange."

Another detail in connection with the meeting which was made plain to the horse owners and all other racing folk, is that the racing publications of the Culited States which usually publish form charts of winter race meetings, will report the results of the daily racing at Oriental Park in the usual way.

The complete official list of the horsemen and the number of thoroughbreds in each stable, which will leave Palmetto Park for Havana at the end of the present meeting follows: It is the tigst authorized

HORSES THAT WON OVER \$15,000 FOR JAMES MACMANUS

It was the good fortune of James MacManus to possess last spring a downright good colt in Belloc and it was his ill fortune that Belloc went wrong early in the racing year of 1914 and could not be started order of speed both times. He started but four times and won twice in stake races, showing a high order of speed both times. His first victory was in the Clark Handicap, at Churchii, Downs, May 16, in which he ran its mile and a sixteenth in 1:45, and his second in the Inaugural Handicap, at Latonia, June 5, in which he ran the same distance in the even faster time of 1:44%, defeating the best handicap horses of the west in both races. Mr. MacManus had other useful winners in his stable, but nothing approaching the class of Belloc. His stable record for the year was:

GOOD RECORD OF A SMALL BUT SELECT STRING

J. W. Messervy raced one four-year-old and three three-year-olds in 1914. The four-year-old was fisns Creek and he did not win a cent, but each of his younger stablemates won races and more than paid their way. Charlestonian was the star of the stable and one of the sort of horses that win races they have no right to win and fall when most expected. Thus he was a 9 to 10 favorite for the Palmetto Derby at Charleston last February, but finished fhird to the commoners, Ivan Gardner and Indolence. Hence, when he started in the Withers Stakes, at Belmont Park, May 30, it is no wonder that he was a 40 to 1 outsider in a field that comprised, besides himself, Old Rosebud, Roamer, Gainer and Superintendent. It seemed madness to think of him as the winner over such opposition, but win he did. Four days later he won the Larchmont Stakes and again defeated Gainer. Then he subsided and did not win again until the Belmont Park fall meeting came on, when he won two purses, a mile in 1:38 and three-quarters in 1:12½, defeating Meeting House in the latter. Addie M. was a good winner, too, and the stable record was:

Ada br f 3 1	Pedigree. By Woolsthorpe—Espionage By Star Shoot—Breakwater By Maddalo—Lady Baldur By Potomac—Onaga	1st. . 5	2d.	3d. 6 2	Won \$ 9,320

THIS YEAR'S RECORD OF THE WIDENER STABLE OF JUMPERS

J. E. Widener delights in the jumping horse and in Compliment and Relluf had two in action this year about as good as anything out in that line. Compliment, besides a purse, won the Cooperstown Plate at Piping Rock and the Corinthian Steeplechase and Brook Cup Steeplechase at Belmont Park. He was only once beaten and that was when he ran second to his stable companion, Relluf, in the Whitney Memorial Steeplechase and so could have won it himself. Relluf started but three times and won the Whitney Memorial Steeplechase and the Grand National Steeplechase, both at Belmont Park. His one defeat was in the Brook Cup Steeplechase, which Compliment took, while Footlights beat him out of second money. These two cross-country stars won nearly all of the money that fell to the stable and its account for the year was:

Horse, Col. and Sex. A. Pedigree.	2 1 2 1 0 0	0 0 0 0 0	1 2 2 0 0 0	Won. \$ 6,765 5,200 765 600 530

MRS. PAYNE WHITNEY'S HORSES MAKE EXCELLENT SHOWING

Racing under the name of the Greentree Stable, Mrs. Payne Whitney experienced the pleasure and excitement of seeing her horses victorious in twenty-one races this year. In Cherry Malotte she raced a capital jumper which either won or was second in ten of the eleven races in which she was started. With such an excellent record she was the stable's best money winner, but Virile and Gamer won good races for Mrs. Whitney, while Ballet and the veteran, Web Carter, much more than paid their way. All around, it was a pretty good year for the Greentree Stable, its earnings showing a substantial increase over its \$7,080 won in 1913. This year its better record was:

Horse. Col. and Sex. A. Pedigre	Dottle	Won. \$ 4,095 2,750 2,740 1,210 1,075 500 500 100

WEATHER FINE, TRACK BAD

RACING IS FORMFUL AT JUAREZ IN SPITE OF DEEP CONDITION OF COURSE.

Knight of Pythias Wins Two-Year-Old Race for W. G. Yanke-Favorites Account For Half the Card.

El Paso, Tex., December 26.—Beautiful weather prevailed here today, but the Juarez track was in exceedingly bad condition as a result of the long continued drenching it received earlier in the week. In spite of the adverse conditions, the racing was fairly formful.

Favorites accounted for the two opening dashes. Marie Coghill was an easy winner in the first race and California Jack, the pacemaker, easily beat the others. Zinkand, whose liking for soft going has been shown on many occasions, made a show of his opposition in the second race. Faneuil Hall beat the well-backed Dave Montgomery for second place. Velie Forty, against which extremely liberal oddwere laid, was never headed in the third. Russ Sand had little difficulty in beating Al Wormwood, which supplanted Elsie Green in favoritism, for second money.

The fourth was marked by victory for Andrew O'Day, which went to the post equal favorite with Rockdale. The latter failed to figure prominently at any time and was unplaced at the finish, second money going to Frazzle and third to Luke Van Zandt.

It was figured that Category and Knight of Pythias would have the fifth to themselves and so it proved, but calculations were upset when the Yanke youngster beat Category after the latter had established a considerable lead in the middle running. Sam Beckham easily beat the rest.

Mrs. Mc, making her first start of the meeting, was installed favorite for the closing dash, but was not ready to go the route under the trying conditions that prevailed and quit utterly after showing the way in the early racing. Silver Tone turned up the winner, a head in advance of Oblivion.

Jack Curley, the puglistic promoter, who is trying to arrange to have the Johnson-Willard match take place at Juarez, is a daily visitor to the course.

The stewards suspended jockey O'Brien for five days for rough riding in the third race.

CASES WERE TOO WEAK TO PROSECUTE.

New York, December 26.—The dismissal of the indictments found against eighty-eight persons by the King's County grand juries during the antiracing campaign of the first Hughes administration by Judge Dike in the County Court in Brooklyn this week followed the failure of the district attorney's office to make out a case against one of the men indicted, this case being considered the strongest that the district attorney had. Among those named in the batch of indictments were the Brooklyn Jockey Club and the Coney Island Jockey Club. All the indictments were found during the term of John F. Clark. district attorney during 1908 and 1909. In cleaning up the cases left over from the Clark administration. District Attorney Cropsey came upon the batch of anti-racing indictments. These were left until an opportunity was found last week to try what was considered the strongest case. The defendant in this case was Emmanuel Diamond, who was charged with keeping a book. He was arrested at the Gravesnd track four years ago. This case was tried before County Judge Hylan. After the people's evidence was all in, Judge Hylan instructed the jury to acquit Diamond. ruling that the district attorney had falled to make out a case. The case was tried by Assistant District Attorney Warbasse and apparently was made to test the strength of the prosecutor's evidence. With the failure of the case against Diamond. Mr. Warbasse brought the other indictments up before Judge Dike and made a motion that they be dismissed. Judge Dike made the order

IMPROVEMENTS AT DOUGLAS PARK.

Louisville, Ky., December 26.—Improvements at the plant of the Douglas Park Jockey Club, which were started at the close of the fall meeting, have been completed under the direction of Charles A. Nolte, superintendent of the course, at a cost of about \$2,500.

Notice, superintendent of the course, at a cost of about \$2,500.

Evergreens have been added to the lawn and a flower garden laid out about the timers' stand. The spacious lawn between the grandstand and paddock will present an invitation ever more insistent than at the 1914 meetings, when it was one of the most popular features of this track. Mr. Nolte believes the flower garden in the infield will add much to the view from the grandstand. Increased facilities in the betting ring also have been provided for.

The first electrically-lighted stable on any Kenneister's track. The big barn below the paddock has been equipped throughout with lights. John W. Schorr alone has thirty horses quartered in this stable for the winter, and the innovation has met with the warm approval of those in charge of the thoroughbreds wintering there.

George Swan, for many years in charge of the stallions owned by the late James B. Haggin, is in a hopeless condition at a local hospital, where he has been ill for more than a year.

J. W. May in a letter received today by J. P. Ross, says that preparations for the New Orleans meeting are going forward satisfactorily; that the track is good, that miles have been worked in 1:41 by several horses and that stable room is becoming scarce.

THINKS WELL OF TONY BONERO.

Francis J. Pons writes from Blue Grass Farm, his thoroughbred breeding establishment at Madisor. Tenn., that he feels particularly hopeful that his stallion Tony Bonero will prove a success in the stud. He bases his belief on what has been shown by two of his yearlings in trials and the appearance of six weanlings by the same sire. Mr. Pons plans to retire Judge Wright to the stud at the close of the coming New Orleans meeting, in which he will take part. He will equally divide his choicest mare between Tony Bonero and Judge Wright the coming spring.

EUROPEAN WAR DEVELOPMENTS

An official announcement was given out in Berlin as follows: "Near Nieuport during the night of Dec, 24-25, attacks delivered by English and French troops were repulsed. The success of the battle with English and Indian contingents near St. Hubert can be judged better today. Nineteen officers and 818 men were taken prisoners, while fourteen machine guns, twelve mine throwers and other war material was captured. The enemy left more than 3,000 dead on the field. The English asked for a cessation of hostilities to bury the dead. Our losses were comparatively small. Some minor engagements have taken place at Lihons, southwest of Amieus, and at Tracy-le-Val, portheast of Compeigne. We captured 300 prisoners. In the Vosges, south of Diedolshauser and in Upper Alsace, west of Semiliem, and also at a point to the southwest of Altkirch, there were small engagements yesterday, but the situation remains unchanged. The evening of Dec. 20 a French airman threw nine bombs on a certain small village. No troops were stationed at this place; there was only a hospital, which was done. In reply to this aerial attack and also the throwing of bombs on the open town of Freiburg, which is not defended and outside the zone of operations, German airmen threw medium sized bombs into the outskirts of Nancy."

"Russian successes are reported officially at Petrograd from the battle front before Warsaw and trom that around Cracow, but without materially changing the general situation. Especially vicious attacks have been made by the Germans between Pinczow, forty miles northeast of Cracow, and Nowemlasto Kerozyn, at the junction of the Nida and Vistula rivers. Time after time the Austrians advanced in solid formation against the Russian front in the face of a heavy artillery fire. The net results after two days' fighting—December 22 and 23—was the capture by the Russians of nearly 5,000 prisoners and the retention by the Russians of the left bank of the Nida.

Among the items given out by the German official press were the following: "East of Festober the Germans have wrested from the British another part of their fortified positions. Near Chivy, northeast of Vailly, the German troops dislowed a company which had secured a footing in front of the German position. Here 172 French were taken prisoners. The enemy, in an attempt to retake the position, suffered heavy losses. French attacks near Gouain, Perthes, northwest of Verdun and west of Apremont, have been repulsed."

The following official bulletin was issued from Russian general headquarters: "There has been no change on the left bank of the Vistula river or in Galicia. The Germans delivered attacks on the day and night of December 24, principally in the districts of Sochaczew and Bolinow, but all were repulsed with great loss to the enemy. Fighting continues on the banks of the Pilica river."

The French war office gave out an official an mouncement as follows: "There have been moderat artillery exchanges on the front from the sea to the Lys. On the Lys itself a heavy fog has mad operations impossible. Between the Lys and the Oise we have repulsed several counter attacks to the enemy."

SENATOR CAMDEN'S DERBY CANDIDATES.

Louisville, Ky., December 26.—United States Senator J. N. Camden will make a bid for Kentucky Derby honors on Saturday, May 8, next at Churchill Downs with his two stake winners of 1914, Luke and Solly. The distinguished Woodford County turfman made a strong effort to win that classic race in 1908 with Miami, but that horse was beaten by Wintergreen. A few days later at the Downs Miami won the Clark Handicap, in which even Wintergreen was not a starter. Later on at the Downs that season Wintergreen and Miami met fin a special race, but both were beaten by Olambala.

In 1912 Senator Canden was regarded as having an extra good chance in the Kentucky Derby with Hellos, which had gone into winter quarters the previous season rated as one of the best two-year-olds in training. But Hellos went wrong in preparation for the race and Hawthorn, his greatest rival, being taken siek, neither of these cracks went to the post. The event that spring was won by Done-rail, one of the rankest outsiders that ever won the

is in training. But Hellos went wrong in preparation for the race and Hawthorn, his greatest rival, being taken sick, neither of these cracks went to the post. The event that spring was won by Donerall, one of the rankest outsiders that ever won the race.

This season Senator Camden's Luke and Soliy are a bit higher in type from the horseman's standpoint than were Miani and Hellos in their years. The latter was a gelding, while both his 1015 can be the post of the post of the post of the post of the post season Luke won five races, including the Breeders' Futurity, Spring Trial and Bashford Manor Stakes, earning \$11,550 on the season. During the year Solly won four races and \$4,027, and in the Queen City Handleap he ran a mile in 1:384, beating such other 1915 Derby possibilities as Pif 3r., Leo Ray, Chalmers, Ed Crump and Hank o'Day. This performance seemed to settle all doubts about Solly's about the possibilities as Pif 3r., Leo Ray, Chalmers, Ed Crump and Hank o'Day. This performance seemed to settle all doubts about Solly's and the possibilities are sons of Peter Quince, a fast horse when racing on the turf in the colors of the late 1, R. Keene. Peter Quince is of the Bomino line of horses, being a son of Commando and is out of Pair Vision, by Toucheit. The latter mare also produced a great filly in Trance, whiner of no less than sixteen races as a two-year-old, Solly is out of Miss Finch, a daughter of Goldant and the post of th

TIMELY GOSSIP FROM JUAREZ.

El Paso, Tex., December 26.—Daily now new arrivals continue to come to the Juarez track from all parts of America. This movement will continue until after the holidays and if the experience of last season holds good, even up to the first of February. The winter meetings at Juarez always grow better as the season progresses. There are also more horses yet to come and the prediction made that by January 1 there would be 800 or more at the course, bids fair to be fulfilled, for there are over 750 now stabled at the track.

Next Friday, New Year's Day, will see the running of the third important stake of the meeting, the \$1,500 Ano Nuevo Handicap, one mile and a sixteenth, for all ages, which closed with twenty-even nominations. This event has season had nine starters and was won by John Reardon, with Bert Getty second and Vested Rights third. Those eligible to start in this event this season include Willite, Old Ben, Gipsy Love, Furlong, Christophine, which holds the Juarez mile record of 1:364; John Reardon, Belle of Bryn Mawr, Grover Hughes, Hoculr, Rash, Judge Sale, Mud Sill, First Venture, Grosvenor, Ghetto Girl, Injury, Executer and Ringling. New Year's Day will have another big attraction, the first two-year-old race of 1915.

T. H. Ryan, a prominent Illinois turfman, has the biggest string of horses now at the Jockey ClubJuarez course that he has yet campaigned at this track. His string is made up of cight horses, bred by himself with the exception of Rash and Gano. Trickwing, and two geldings by Downpatrick, one a two-year-old and the other a yearling. Gano, Rash and Loneman were shipped here from Latonia before the Juarez meeting began, while the other five were brought here from the Ryan farm at Willming ton, Ill. Roadmaster has been out of training since his Canadian campaign of last summer, having been respited because Mr. Ryan thought he needed a Juarez this winter. He looks big and lusty now and will no doubt soon give a good account of bimself. Mr. Ryan had a little bad luck with the two-year-old by

Bay colt, by Leonid-Golden Harvest, by Free Knight. Chestnut filly by Leonid-Virginia Lindsey, by Pirate of Penzance.

Chestnut filly by Leonid—Virginia Lindsey, oy Pirate of Penzance.

Mr. McLemore's great race mare, Meadow, was mated with Meelick last spring and he says sile gives every indication of being safely in foal to that noted young horse.

G. L. Blackford, owner of Meelick, has eight coming two-year-olds at the Juarez track by this son of Planudes. They are as follows:

Maccabee, br. f. out of Donna Hamilton.

Marigold, ch. f. out of Paschal.

Medea, ch. f. out of Paschal.

Megaphone, ch. f. out of Apple Bloom.

Memorry, ch. f. out of Warel Past.

Ramona, b. f. out of Warelling Duchess.

Wapco, ch. c. out of Eugenia S.

The Blackford stable, which is in charge of trainer W. E. Cotrell, has only two other horses in I training, namely Kail Inla and Vampire. The latter, ia coming three-year-old, is regarded as much betater than he has shown in public. Maccabee is a sister to Silver Blossom, which won the first two-lyvar-old race at Juarez in 1914.

Joe Blair, a three-year-old that has been showing sensational speed here this season, is an Oklahoma product and has created more talk than any western-

bred sprinter since John Griffin II. made his appearance on the big tracks. The colt came from the Campbell ranch in Oklahoma, though his dam, Miss Blair, is now owned by I. E. Clark. She is a daughter of Bowling Green and Joe Blair is her first foal. Her second foal is Bank, a yearling colt by Mint, now in the Clark stable. Joe Blair is his Bonnie Joe, a son of the famous Fanstus. Miss Blair was never raced. Joe Blair is a blockily built good looking colt and stands about 15½ hands high. He is surely a speed marvel. His present owner, Geo. S. Martin, paid \$1,100 for him.

M. EDMOND BLANC TO RACE IN ENGLAND.

M. EDMOND BLANC TO RACE IN ENGLAND.

During the 1870 war it was found practicable to send quite a number of French race horses to England, and I was interested to learn at Newmarker that, despite difficulties of transport, submarines, and other noxious daugers, M. Edmond Blanc has managed to land four of his most promising two year-olds in this country, and they are now in Ton Jenning's stable at Newmarker, after a most tempestuous crossing of the channel. There are three colts and one filly, two of the colts being entered for the Derby and the filly for the Oaks, so it is on the cards that M. Blanc may at last achieve the object of his ambition, for these youngsters will not lave French racing to interfere with their chances here, nor will there be a recent journey from France to upset them at Epsom.

One of the Derby colts is: Florimond, a chestnut son of Wildfowler and Belle Fleur, by Flying Fox. her dam Bass, by Saraband out of Busybody (dam of Meddler), by Petrarch. This is certainly a fine pedigree, and the brilliant branch of No. (1) family which it is based on should be admirably strength ened by the addition of numerous lines of No. 15. Moreover, Wildfowler and Flying Fox trace to the same No. 7 tap root.

The other colt entered for the Derby is a son of Ajax, but 1 am not quite sure of his identity, as I did not take a sufficiently careful note, and M. Blanc has three colts by Ajax engaged, viz., Gharib. Cordial II., and Le Mellor. Gharib is a bay out of Laputa, by Ladas, her dam Lady Muneaster (great-granddam of Bayardo). This is breeding after my own heart, for both Ajax and Ladas bring Blair Athol and Breadalbane blood to "nick" with the Blink Bonny tap root.

Cordial II., is a bay out of Pudeur, by Ladas, her dam, Grasse, by Macheath out of Antibes, by Isonomy. This, too, is breeding of the best. Le Melter is a bay out of Iselia, by Isinglass, her dam Santon, etc.), by Wenlock. This colt, like the others, is bred in the purple.

Clearly M. Blanc sets great store by Ladas mares for his Oaks entry,

produced an Oaks winner, Keystone II., a good winner too.

The third of M. Blane's colts has not, I am told, any classic engagements, and at the time of writing I do not know his breeding.

It may be remembered that Tom Jennings has several times had charge of horses for M. Blane. For instance, there were Gouverneur and Reverent (sons of Energy), which respectively ran second to Common in the Derby and St. Leger of 1891. There was also Ruell, another son of Energy, which ran unplaced for Sir Hugo's Derby in 1892, but a fortight later won the Grand Prix. He had raced in England as a two-year-old, winning the Manchester Whitsuntide Plate, but he ended that season in France, where he showed first-class form. He remained in France until May the following year, and ran there on the fifth of that month before coming to England for the Derby, so that Jennings had nothing like so good a chance with him as he had with this recent consignment of two-year-olds. The name Ruell, by the way, is constantly spelled Renil, whica is wrong. He became quite a successful stallion, and his son, Mauvezin, has done well for him in this country.—"The Special Commissioner" in London Sportsman.

ENGLAND'S THREE-YEAR-OLDS INFERIOR

Where our thoroughbreds are concerned—as in most other affairs, for the matter of that—things seem to run in cycles, We have periods in which the standard is high; these are succeeded by others in which our horses are moderate, and though hitherto in the cycle of moderate periods they have been more or less redeemed by the presence of some great horses which secures the triple crown anishines with greater lustre by reason of the mediocrity of his opponents, it must at last be admitted that we have today renched a stage when mediocrity exists without a redeeming feature. Whether our two-year-olds are destined to raise us again next year to our own unassailable position remains to be seen, though if all goes well with them there is every reason to hope that they will.

The greatest race in all the world, which every nation strives to win, is the Epsom Derby, and for the first time in the history of that race it fell this year to a horse bred and reared and trained on foreign soil. So long ago as 1865 the mighty Frenchman, Gladiateur, defeated us, but he was trained at Newmarket, but by an American trainer, the genial Jacob Pincus; and now at last the inevitable has come in the victory of the French horse, Durbar. By far the best of this trlo was Gladiateur, which triumpied in a period of good horses, but Iroquois had the good fortune to arrive in one of the moderate periods, which saw Shotover and St. Blaise his immediate successors, and he had nothing better to beat than Peregrine, Town Moor and the sprinter Scobel with the all-conquering Fred Archer to assist him. He was just a good-class handleap horse, nothing more; and that is all that can be said of our three-year-olds today, with the exception, perhaps, of three or four which for various reasons were unable to show at their hest.

Alce Taylor, it is said, looks upon Kennymore as a good one, but I venture to declare that no public performance justifies that belief. That he beat Corcyra on his merits in the Two Thousand Guinens Is shall never helder, for a p

GENERAL NEWS NOTES OF THE DAY.

Eight Filipinos have been arrested on the charge of sedition as a result of an uprising in Manila and its environs Christmas eve. Further arrests are probable. From army sources, it is learned, that a general warning was sent to all officers 'thursday afternoon announcing that fully 10,000 Filipinos in Manila alone were ready for a concerted attack on Fort Santiago, the Cuartal Espana, the Cuartal Infanteria and the medical depot. The military units immediately were prepared and a street patrol was started at dusk. Constabulary agents who are members of the secret societies disclosed the plans for an uprising, thus enabling a force of constabulary and police to disperse gatherings at Bagambayan, Paco and Navotas, near Malabon. At Caloocan a squad of American sailors seized chairs when a force of Filipinos approached a dance hall in which they were gathered and, using the chairs as weapons, routed the natives, of whom a number were injured. The uprising evidently was badly organized and lacked leaders.

Fighting has occurred between the adherents of General Carranza and those of General Villa in the outskirts of Vera Cruz. The Villa forces, in unknown number, are advancing, while the Carva forces have been obliged to fall back. A strict a sorship has been enforced. Provisional presidents tierrez of Mexico has completed the selection of the cabinet, with the exception of the portfolios of justice and interior, by appointing men from both the Villa and Zapata followings. General Carranza received news from Tampico that followers of General Villa had been defeated at Ebano station.

These entries are for Sunday's racing.

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner. Weight to be carried appears at top of column of weights in previous races.

NOTICE.

Owing to bad track conditions at Juarez, I have had several of my Good Things withdrawn the past two weeks. RUSS SAND, 10-1, ran second. OB-LIVION, 2-1, ran third, were my only wires the past week. I have word from my Partner on a horse that goes next SATURDAY and he informs me this horse has weeked in the mud faster than the best race has been run at the meeting and is just as good on a fast track. I have a list of 30 horses that are if and ready and the majority of them will go over the first time out. Give us a fast track and I will send you the goods and you don't get no favorites from me. All my Good Taings are at good odds. Get your name on my books.
